**No longer do girls have to attend soccer schools and feel second best to the boys !!**

Gillingham Ladies Director of Football, Martin Andrews explains *“It’s been my dream to set up a football school aimed specifically at girls, this gives our players the perfect opportunity to coach girls the way they would of wanted to when they was there age. I am also delighted that our 1<sup>st</sup> team manager Ian Varley, who is also a full time FA Skills coach has developed the course content, tailored for the needs of the ages.”*

Each session there will be one of our FA Qualified players who will be assisted by various other players. All players are CRB checked.
